

## SEATTLE SUMMER SWIM LEAGUE

### ALL-TIME LEADERS IN EACH EVENT

The top 15 in each event since the SSSL was formed in 1960. Times collected from programs and results from All-City meets - so primarily the final two meets of the season. Prelims haven't been carefully examined, but those times (while tending to be slower) are allowed; to suggest a prelim time that should be in the top 15, send e-mail to [ianallan@fantasyindex.com](mailto:ianallan@fantasyindex.com).

For names of swimmers on relays, download the other all-time file at the website. It shows names of the four swimmers on all top-10 relays.

Some years aren't represented in the charts below (unless the swimmer in that season set a record that was published in another year's program). For All-City results, we need the following years: 1975, 1972. For All-City programs (which show times from Northern and Southern Division finals), we need 1980, 1977 and 1972. If you can get your hands on one of those years, please contact [ianallan@fantasyindex.com](mailto:ianallan@fantasyindex.com).

In every event, even relays, only the best times are shown. For event 1, for example, Brianne Lindblad would take up maybe three (maybe more) of the top 15 spots if all of her times from postseason meets were shown. And this policy applies on relays. In event 71, Aqua Club's relay team of McKenzie Nakamura, Jayme Swalin, Meaghan McCloskey and Kristen Lindbergh posted two of the top 4 all-time times in consecutive years. Since the names on that relay are all the same, it's listed only once. If one of the gals had changed, then it would be double listed.

The following times are current through the 2009 season:

\* NOTE: Time comes from a relay split at the 1967 SSSL Finals. Pencil notation on the program indicates the 18.4 came from three stopwatches. Davis did not swim in the individual backstroke event in that meet.

\* NOTE: Time comes from either a relay split, dual meet or non-SSSL meet (Weisel held a national age group record in the backstroke). Or it's just an error.

Weisel did not swim the 50 back in the 1971 postseason. She won the backstroke in 1970 (as a 9-year-old) with a time of 35.6. The record was originally published in the 1971 all-city program as being set in 1970.
