

Aqua Club Wait List Policy

To get on the wait list, please send a check for \$50 and a completed Application Form (on the web site in the Membership section) to:

Aqua Club
PO Box 82122
Kenmore, WA 98028

In February of each year, offers of membership are mailed out to those at the top of the wait list. The number of offers made each year depends on the number of memberships sold after the prior season. Depending on the response from the February mailings, offers of membership will continue through the spring until our quota of memberships (currently 275) is reached.

When you receive an offer, you have two options:

1. You can join the Aqua Club by paying the current Membership fee and the Annual fee (amounts listed on web site), or
2. You can defer membership. If you choose to defer, your name will go to the end of the Wait List. When your name reaches the top again, you will again be offered a membership. At that time, if you choose not to join, your name will be dropped from the Wait List and your \$50 application fee will be forfeited.
